2013 is upon us and we're very excited to begin sharing valuable design ideas, insights, industry news and great photos. Check out the E-Newsletter Archive on our website and browse through past issues. Thanks for reading, and we wish you a Happy + Healthy New Year!...

Industry News

Attention home/building owners and contractors: The EPA has recently started cracking down on violators of the Lead Renovation, Repair and Painting Rule. Learn exactly what the rule encompasses and how you can protect yourself and your project. ([Read more](#))

Design Trends + Topics

Revisit the Top 10 residential design trends from 2012. Capture some innovative and creative ideas for your 2013 custom home or remodeling project. ([Read more](#))

Capital Region Building Partners

We introduce you to Redbud Design + Redbud Development. Geff Redick, Landscape Architect & owner, offers planning, estimating and full construction management services for your outdoor living, pool and sitework projects. ([Read more](#))

Before + After Photos

This front-entry addition + alteration to a Latham funeral home makes for an amazing transformation that's sure to add curb-appeal. Take a look at some classic before + after photos!

Current Projects

Take a look at one of our unique projects now under construction! This exposed timber-frame camp, nestled in the lower Adirondacks, will serve as a weekend retreat for an Albany couple and their family. ([See more](#))

Seasonal Maintenance Tips For Your Commercial Roof

Building owners can extend the lives of their 15-year roofs to 25-year roofs by heading off leaks and other adverse conditions, which translates into significant long-term cost savings. ([Read more](#))

Worth A Look, Worth A Laugh

From a rooftop pool + garden in Singapore to a 7-story basket-shaped company headquarters, these are two buildings you just have to check-out! ([See more](#))
